

Mission Statement

The Balwyn Blazers Basketball Club is a basketball **community** that encourages active **participation** both on and off the court.

Our “**TREDS**” values underpin who we are as the Blazers:

Values

Teamwork - no matter what capacity in which we are representing the Blazers, we are all in it together, working towards a common goal

Respect - across all of our community, we hold others in high esteem, as we ourselves wish to be treated

Enjoyment - the sense of fun bonds us together in who we are and what we do

Development - we strive to better ourselves at every level across the Club

Sportsmanship - our conduct and attitude reflects that of a “good sport”: humble in victory and gracious in defeat
