

## Season Registration FAQs

### ***Do I have to register and pay before team selection takes place?***

No, you do not have to register and pay prior to team selection, but you must register and pay by the due date to be placed on a team.

### ***What days do teams train? What days are games played?***

Teams train once a week on either Monday, Tuesday, Wednesday, or Thursday. This is mainly determined by the coach's availability. Games are only played on Saturdays.

### ***Can I be placed on a team with my friend(s)?***

Yes, but both (or all) must request this on their registration for the request to be honoured.

### ***Can I request a specific training facility?***

No. Training facilities vary from season to season and there are a lot of things to consider when scheduling teams. Please reach out to your team manager or coach if you have difficulty getting to the training facility.

### ***My child is not able to attend team selection. Can I still be placed on a team?***

Your attendance at team selection is not a prerequisite to being placed on a team. Please contact the team registrar to inform them that you will not be able to attend. If you are new to the club, please also include previous playing experience and clubs. This will help in the most appropriate team placement.

### ***My child has never played basketball with a club before. Will it be too challenging for them to join a team?***

Blazers is such a great club to start playing basketball at. Players will be placed on teams with children that are at the same level of skill and experience.

### ***What should I do if I don't see my child's name on the team selection list/schedule?***

If you are new to the club and have not reached out to the registrar, please come to the earliest session. You may be asked to stay for more than one if the evaluators think it's necessary.

### ***What if my child is not able to attend the specific time assigned for team selection? Can I go to a different time or day?***

If you cannot make your session, please reach out to the registrar. The age group coordinator will then make a decision if it is necessary to attend a different session.
